RE: Site Inspection, William Petty, Happy Jack Mine, M/037/024, San Juan County, Utah

Date of Inspection: November 17, 1992  
Time of Inspection: 5:30 p.m. - 6:00 p.m.  
Conditions: Dark, cold  
Participants: Holland Shepherd, DOGM

I visited the Happy Jack site to check up on the progress of the reclamation that was initiated on the site one year ago. All portals have been sealed, all regrading work has been completed, all debris on the permitted area has been removed. The site still needs to be seeded and revegetated.
